Dear Fellow Marylander:

There is one thing I have never had one single person, regardless of party disagree with:

### **WE NEED MORE BUSINESS PEOPLE IN OFFICE!**

My name is Carol Loveless and I am running for the House of Delegates in district 9B which is Ellicott City. I am a small business owner, employer and a mother of three Centennial High School graduates. This is my first time running for an elected position ... another thing most agree with: we need some fresh faces in Annapolis. I believe that you know better than the government how to run your life.

Maryland has enjoyed many years of prosperity. Our location near the Nation's Capital, Interstates 95 and 70, the Chesapeake Bay, Baltimore City, two major sports teams and many other reasons have contributed to this success. Yet, in recent years we have found the state in a progressively declining posture. You have heard the statistics...we have lost 11 of our 13 Fortune 500 companies, over 6500 small businesses have left or closed their doors, we have dropped from 20th to 35th place in economic outlook and are near the bottom in job creation. Just today we learned that McCormick Spice Company, a 125 year old Maryland company is talking of relocating a few miles north across the state line to Pennsylvania.

As a business owner and job creator, I have experienced firsthand, the negative effect caused by legislation that hurts the very people it is "supposed" to help. We have got to turn the tide in our state. Jobs and the tax revenue they provide are the answer... good schools, roads, bridges, economic stability, peace of mind, all depend on private sector job creation. It bothers me to see the focus on raising the minimum wage, when the focus should be clearing the way for GOOD jobs. Let's create an environment that pays well above minimum wage, wouldn't you agree?

Please support me in my campaign to protect YOU the tax payer from high taxes, an out of control state government, loss of liberty and national takeover of education.

Thank you for your consideration in voting for me in the June 24, 2014 Primary Election!

Sincerely,

CAROL LOVELESS  
Candidate State Delegate, District 9B, Ellicott City
